

Agent Guide / How To Upload A Reel

Let's Get #Reel (on Facebook)

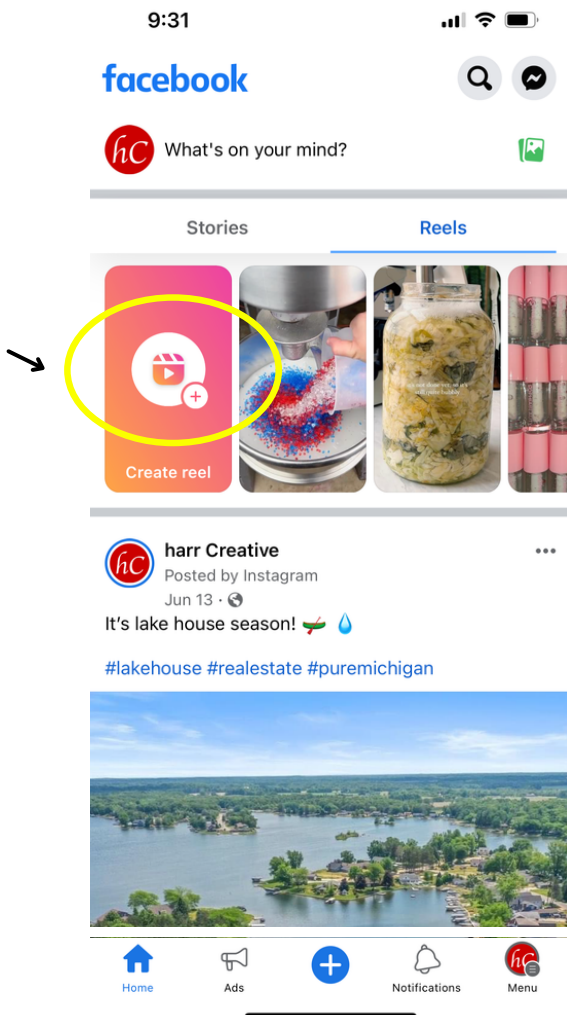

STEP 1: Download your harr Creative reel video from Dropbox, and save to your phone/device.

Your harr Creative order is ready!

STEP 2: Open the Facebook app and Click on  "Create reel" towards the upper left of your screen.

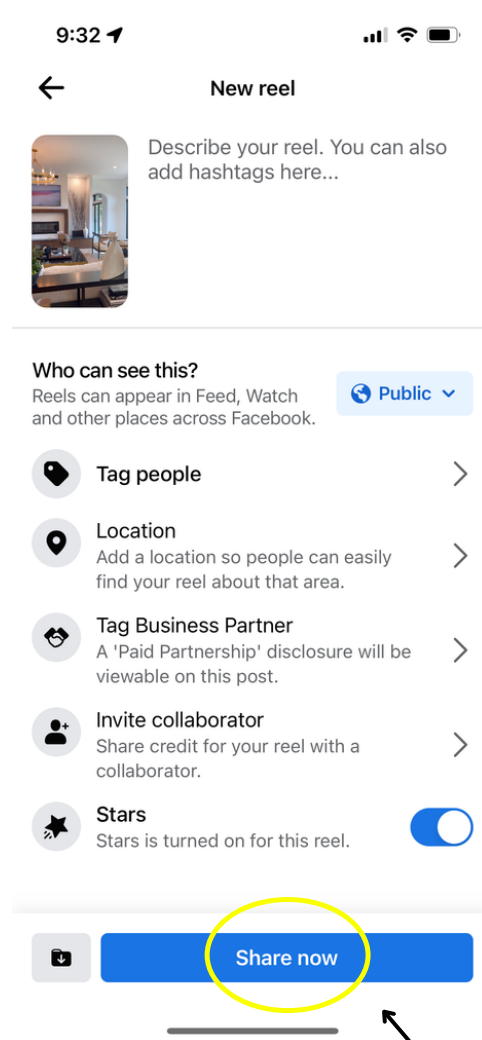

STEP 3: Select the video from your gallery.

STEP 4: Facebook will give you the option to cut/edit in the next slide. Skip this, as the reel is ready to post as-is.

STEP 5: Write your caption, choose your cover photo, and check all other details. Press [Share now](#) !

STEP 6: Your Facebook reel is live, and ready to be viewed! There is nothing else you need to do.
