

Agent Guide / How To Upload A Reel

Let's Get #Reel (on Instagram)

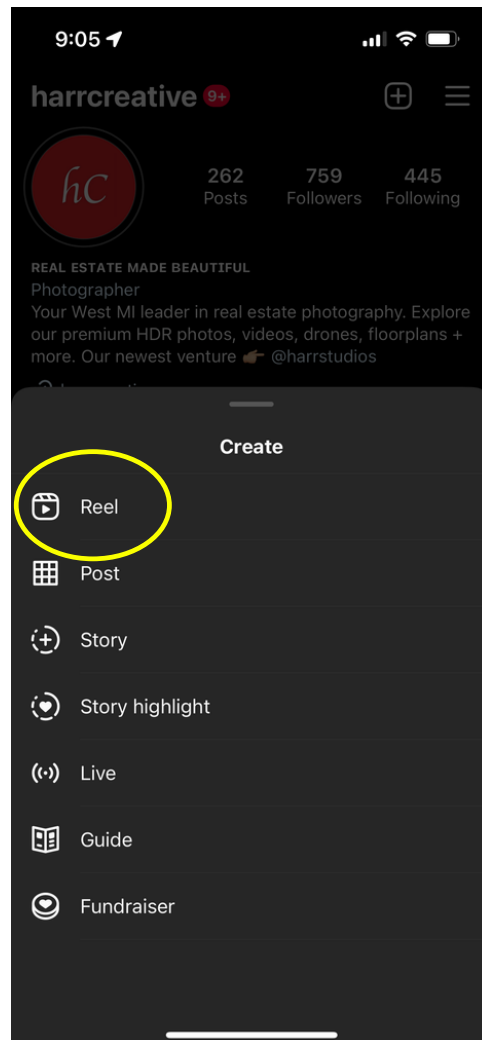

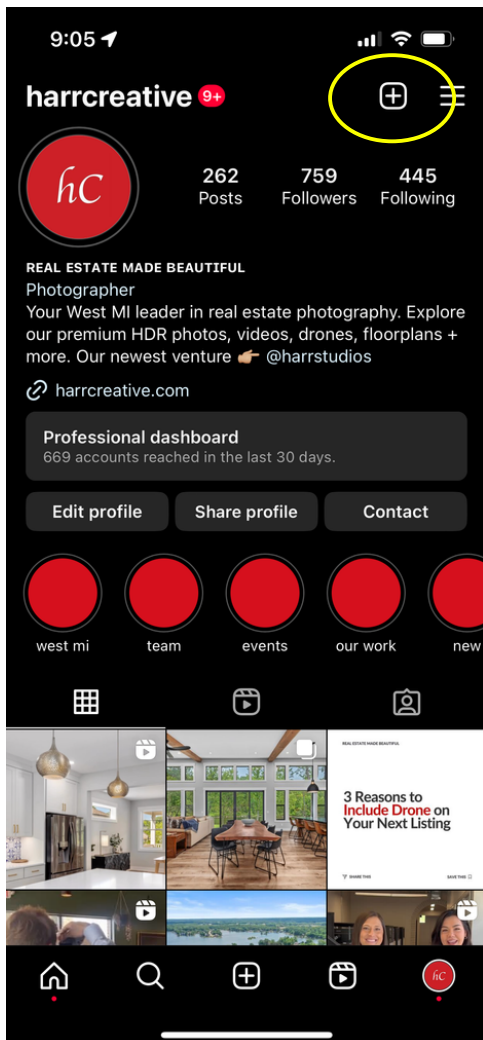

STEP 1: Download your harr Creative reel video from Dropbox, and save to your phone/device.

Your harr Creative order is ready!

STEP 2: Open the Instagram app and Click on "+" in the upper right hand corner.

STEP 3: Click on "Reel" to create a new reel.

STEP 4: Click on  in the bottom left hand corner to upload your video.

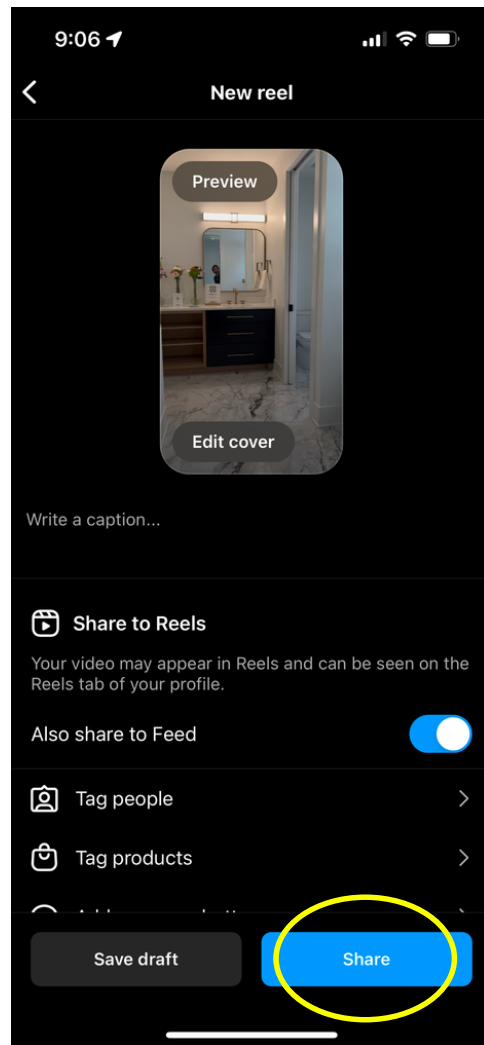

STEP 5: Select the video out of your gallery.

STEP 6: Instagram will give you the option to cut/edit in the next slide. Skip this, as the reel is ready to post as-is.

STEP 7: Write your caption, choose your cover photo, and check all other details. Press [Share](#) !

STEP 8: Your Instagram reel is live, and ready to be viewed! There is nothing else you need to do.
